Thought for the Week – Anti-Bullying (New Policy)

This term we launch our new Anti-Bullying Policy. This has been developed by talking with students (School Council), parents and staff.

Every single person who has been involved in developing this new policy agrees that at Kineton High School we will not tolerate or accept bullying of any kind.

Students who have reported that they feel bullied can expect:

- That their concerns will be listened to
- That the situation will be dealt with as robustly as we are able

Students reporting incidents of bullying behaviour

We will provide various routes for students to report bullying that are simple and allow anonymity if desired.

- A drop box facility at various points around the school
- Each form group to have at least one designated senior student to listen and help those students who feel they are being bullied
- Remind students who the key staff are who will be best placed to help
