Thought for the Week – Valuing Others

When you value others there are positive benefits that happen to you as well as the other person.

When you value others, your own self value increases.

HELP!!

We desperately need KHS red polo shirts for the Spanish trip next week. If you still have yours somewhere, PLEASE PLEASE PLEASE can one of the Spanish students borrow it for next weekend?

We particularly need bigger sizes- Sixth Form? Can you have a look please?

Bring them to room 42 (HS) on **Monday/ Tuesday**, and we'll bring you back a present from Spain.

All shirts will be returned washed and maybe even ironed.

Write it in your journals now and know that you are doing **A GOOD THING**.

¡Muchas gracias!
