

# DAILY BULLETIN – Friday 14<sup>th</sup> September 2018

## Thought for the Week – MUTUAL RESPECT

Respect means recognising the value of someone or something. As a school community we have identified a very strong code of conduct which is based on the ‘respect agenda’ that allows us all to work together.

Respect achievement.

Keep your dreams alive. Understand to achieve anything requires faith and belief in yourself, vision, hard work, determination, and dedication. Remember all things are possible for those who believe.

Gail Devers

By attending school, achieving our personal best in class and completing homework. By celebrating each other’s achievement. By celebrating our individual strengths.

Mutual Respect   Equality   Friendship   Teamwork   Independence   Perseverance
