

Volunteer Governors required for Kineton High School

Kineton High School is seeking two additional volunteers to fill vacancies on its Governing Board. The governor role is highly rewarding as you will be a member of the KHS strategic leadership team influencing decisions and policies affecting the entire school. You will contribute to the future shape and direction of the school and assist the Head Teacher and Chair of Governors to raise the standard of education within the school. Governors attend quarterly meetings as well as additional sub-committee meetings and have the opportunity to become a Link Governor to a specific department or aspect of school life.

No formal qualifications are required to be a Governor; enthusiasm, commitment and a desire to achieve on behalf of the school are, however, important. A willingness to give up some of your free time to attend meetings at the school and complete some training for the role, online or face-to face, will also be required.

If you are interested in becoming a KHS Governor and helping to make a tangible difference to the school, then please follow this link <http://kinetonhighschool.org.uk/about-us/school-governors/> to read more background information and to complete an application form. If you would like to discuss the role of a KHS Governor, then please feel free to email Sally Flynn at clerktothegovernors@kinetonhighschool.org.uk who will put you in touch with a member of the Governing body.
