

Applied Business Summer Task

- ▶ For each of the three sectors; primary, secondary and tertiary, choose a business. You should be discussing three different businesses.
- ▶ Produce a document that explains in detail each of the different sectors. Relate this information to your three chosen business.
- ▶ You must include:
 - ▶ What primary, secondary and tertiary sectors are
 - ▶ Introduction to your businesses
 - ▶ What these business do to be part of the sectors that you have identified
 - ▶ This information will be presented in the first lesson of the term.
