Dear Parents/ Carers

Enrichment Week 8th – 12th July

As always, we are looking forward to our annual Enrichment week where our 'academic' curriculum is suspended and students participate in activities and experiences that offer them the chance to develop new skills, build resilience and the ability to be both independent and an active team member. Staff have been working on the programme for this year, as well as the residential trips to Devon (Year 9), Valencia and Nantes (Year 7 and Year 8), the rest of the school curriculum will be based around a number of different activities and opportunities with a focus on 'wellbeing'.

Activities taking place in school will provide the students with an opportunity to experience a number of activities that can promote good physical and mental well-being. Alongside this there will also be year group activities such as:

Year 7 – Shakespeare Play day.

Year 8 – Shakespeare Play day, Sports Day

Year 9 – Careers Day, STEM day, Lionheart Day

To help fund the activities we plan to have a non-uniform week where students will be able to wear their own clothes, this will cost £10.00 and will cover the cost of the whole week (those students who are doing a food masterclass will have to provide ingredients as directed by the DT department). The preferred method of payment is via Parentpay or cheques made payable to Kineton High School. If you face financial difficulty in meeting this cost we may be able to offer assistance. Please write in confidence to the Headteacher.

Clothing should be suitable for the activity, so when there is a sporting activity it is recommended that PE kit or other suitable clothing is worn. All students will be issued with an individual timetable of activities. If students wish to opt out they will be able to wear their school uniform as normal.

If you have any concerns over the funding please contact your son/daughter's Head of House.

This week is an integral part of the wider curriculum and so attendance during this week is as important as any other school week. Please return the reply slip below by Friday 5th July to the main office letterbox.

Yours sincerely

Adam Mitchell
