

## **EXAM INFORMATION SUMMER 2018**

Please refer to the notes below regarding your exams, especially in terms of registration and meeting time arrangements.

If the whole school are on early lunch, the arrangements will be as a normal day. If the exam students only are having an early lunch they must be in the canteen, but a packed lunch is required as limited canteen services will be available.

Please register as normal before morning exams.

When meeting on the playground, if you are sitting the exam in the gym please gather by the garages, if you are sitting your exam in the hall gather by the swimming pool.

Please note if students have two or more exams that should be at the same time they will run concurrently but students will need to be supervised throughout, therefore a packed lunch with food and drink should be brought.

Please note times and exam rooms refer to non SEN students. Whilst the dates of the exams are the same for SEN students times and venues may differ due to needs, information will already have been circulated by Mrs Wells.
