June 2018

Dear Parent/Carer

With the end to the Year 11 exams in sight, I would like to take this opportunity to remind you about the Sixth Form Induction Day taking place on Tuesday 26th June here at Kineton. As noted in your son/daughter's offer letter for Sixth Form the Induction Day will run from 8.30am -2.45pm and provides all students a real opportunity to experience the subjects that they are looking to take at Post 16. Summer work will also be provided during these sessions, and it is important that students complete this to the best of their ability in order to ensure that they are fully prepared for the start of their studies in September. If your son/daughter is unable to attend, then the summer work will be made available on the website (under the 'Sixth Form Information and Dates' section), it is important that they complete this work.

Students should attend the Induction Day in smart business dress in line with the Sixth Form dress code. They will need to register in the Sixth Form area where the plans for the day will be fully explained to them. Students will get the opportunity to experience all of the subjects that they have selected to study as well as finding out more about the Extended Project Qualification which is offered here at Kineton.

We are also holding a Sixth Form Introduction Evening on Tuesday 26th June, for parents/carers (and students should they wish to attend) where you will find out more about supporting your son/daughter through Sixth Form. We will be going over key dates, opportunities and support strategies as well as looking at how to ensure that students hit the ground running in September. This will start at 6pm in the main hall.

If you are interested in attending, could you please let us know by e-mailing me at: h.gowney-hedges@kinetonhighschool.org.uk.

Please don't hesitate to get in touch should you have any further queries about sixth form at Kineton.

Yours sincerely,

Henry Gowney-Hedges
Director of Sixth Form
