

Kineton High School

Bus Routes

As a rural school students travel to Kineton High School from across a wide geographical area including adjoining counties. We have 13 buses supplied by 6 transport companies bringing in students daily, most of whom run a late bus service three nights a week to enable students to participate in after school clubs and activities.

For more information regarding bus routes and schedules for Kineton High School please click the link below.

Transport is often an important factor in a parent's choice of school. Prospective parents are advised that bus services run from all our catchment villages and from other locations where there has proven to be demand. If we don't currently serve your community then please contact our School Business Manager as we may be able to find a solution.
