Dear Parents/Carers

On behalf of the Governing Body, I am writing to inform you that Siona Robson, Head Teacher of Kinerton High School and Sixth Form will be leaving us on 31st August 2018 to take up the post of Principal at Abbeyfield School, an academy, in Northampton.

In her 4 years as Headteacher of Kinerton she has really enjoyed working with staff, students and parents to achieve a great deal to move the school forward with a strong focus on students' progress and personal development. She led us through a successful Ofsted and worked hard to secure our new Science block. Following a successful bid to the Local Authority she is using a major grant to refurbish the old Youth Centre. This will open next term as a Business Hub for the students. This is part of an exciting project linking with local business partners to provide opportunities for students to develop their employability skills.

We will miss her but I am sure that you will join me in wishing her well for this next step in her career.

The Governing Body will be working hard over the next few months to ensure the school has a new Headteacher in place for September, to continue to build on the school's many successes and strengths.

Yours sincerely

Mary Richardson
Chair of Governors
