24th May 2018

Dear Parents/ Carers

Prevent Training - Thursday 7th June at 6pm

Working in partnership with Warwickshire County Council and the 'safe in Warwickshire' campaign we have arranged for an Information evening about safe practice online.

The internet can be an amazing tool but also a dangerous one. This session will give practical help and guidance as to how you can be better prepared to monitor and understand the dangers that are associated with gaming sites and social media.

The session will cover:

- How young people are groomed online?
- How do we keep our young people safe online?
- How do we monitor the websites they are looking at?
- How do parents apply security measures on to young people's devices.

If you would like to book onto this session please email:

enquiries@kinertonhighschool.org.uk with the subject heading 'Prevent training'.

The session will take place on Thursday 7th June at 6pm in the school hall and is scheduled to finish at 8pm.

I look forward to seeing you on this day.

Yours sincerely

Adam Mitchell
Deputy Headteacher
