

Sixth Form Taster Sessions – Wednesday 13th December

These sessions are to provide students with an opportunity to experience the Sixth Form environment at Kineton High School. This will be facilitated through the learning experience of the taster sessions, and the chance to find out more about Sixth form life and the additional opportunities that being a Sixth Form student at KHS brings.

Most students will attend four 'lessons' during the day and have a fifth session to find out more about Sixth Form life at KHS. The session will involve a presentation, time in the Sixth Form centre and an opportunity to speak to current students.

The session options for the taster day are laid out below:

Period	Subject
1	Chemistry
	Spanish
	Psychology
	History
	Business Studies
