

SCHOOL UNIFORM LIST 2017

YEARS 7 – 11

The school uniform described below has been approved by the School Governors in consultation with parents, students and staff. Students are expected to wear their uniform with pride as ambassadors for the school. The correct uniform should be worn on all school occasions unless otherwise directed by members of staff. **Shirts should be worn tucked into trousers or skirts.**

The school colours are black, red and silver. The school badge is a silver crown.

The uniform is made up of the following items:

BLAZER*	A blazer which is stylish and functional with a fitted design for girls. Each blazer has the KHS crown already embroidered onto the pocket. Compulsory for all girls and boys and only available from KHS.
TROUSERS or SKIRT	Tailored, plain black polyester viscose. Should have a plain waistband. Should NOT have flares which extend over the shoe. Should NOT touch or drag on the floor. Should NOT have decorations, bows, adornments, or stitched creases. Plain black polyester viscose. The skirt should be neither excessively long, nor excessively short (a useful guide is 4 inches (10cm) from the floor when kneeling). It should be practical for wearing around school and without decorations, bows, adornments, belts or slits. <u>A school skirt which meets these guidelines is available from our school uniform shop.</u> Stretch fabric, clingy and pleated skirts are NOT allowed. Belts, if worn, should be of a conventional narrow type, black, threaded through loops with an unobtrusive buckle.

VALUABLES IN P.E. LESSONS

During PE lessons, it is vital that watches and other valuables are handed in to the member of staff. This is for personal safety whilst participating and for the safety of the items.

All items handed in must be named clearly. It is a good idea to have initials engraved on the back of a watch. Whilst every precaution is taken for the safe-keeping of watches, it is up to the students to collect them at the end of the lesson or at the end of the day.

ART & DESIGN, DESIGN & TECHNOLOGY, SCIENCE

In the interests of health and safety all students are expected to wear protective clothing as directed by each department. In Design & Technology areas, aprons will be provided.

SCHOOL UNIFORM FOR TRIPS/EVENTS

Clothing worn on school trips will be determined at the time by the member of staff organising the trip, after consultation with the Headteacher. There may be times when activities require students to wear the same items of uniform e.g. school concerts.

UNIFORM SALES

To help parents economise, we sell second-hand uniform. This includes blazers, trousers, shirts, jumpers, PE kit and school ties. If you have any queries, please contact the School Office.

SIXTH FORM DRESS CODE

Sixth Formers do not wear uniform, but are required to adhere to a 'Dress Code', details of which are available in our separate Sixth Form Prospectus.

GENERAL

- We would ask that students bring moderately sized bags to school, and avoid the very large types that can cause 'traffic' and storage problems in a school.
- Valuable items and significant amounts of money should not be brought to school. If a student must bring such items to school, they should arrange with their Form Tutor for its safe-keeping. The school has no insurance policy to cover the loss or theft of personal property.
