

Year 7 - ILT – FOOD AND NUTRITION

Task: To Investigate Fair Trade Foods. You will need to find out:

- **What does 'Fair Trade' mean?**
- **Find out about foods that are produced under the Fair Trade scheme.**
- **Which companies are involved in supporting Fair Trade products?**
- **Research and write about a real person involved in the scheme (case study)**

7 Beginning

Use at least one source of information to research for your project? Include lists and images in your project.

7 Developing

Use at least 2 sources of information. Include lists with explanations and pictures in your project.

7 Secure

Use at least 3 sources of information. Include lists with explanations and pictures in your project.

Include a survey or an interview to find out what people know about Fair Trade Products

7 Proficient

As for 7 Secure, plus include a conclusion to summarise and give your opinions on the findings.
