22nd May 2018

Dear Parents/Carers,

From the start of next half term the Year 11 timetable will be structured around revision for subjects where examinations have not been completed as stated in previous letters.

To mark this Friday 25th May will be a special day for them and as such we mark it by allowing the students to come to school in 'smart casual' wear (Sixth Form dress code) and we have a special assembly in the afternoon.

It has been a very busy start to the exam season and the half term holiday should be used productively in keeping on top of any revision plan they are following but also ensure that there is time for their own well-being. I would like to add my thanks to all the students as they have been exemplary in the way they have approached the exam season so far.

Yours Sincerely,

Adam Mitchell
Deputy Headteacher
