May 2019

Dear Parent/Carer

**Year 12 Parents' Consultation, UCAS Launch and PiXL Information Evening
Tuesday 21st May 4.30pm – 7.00pm**

You will soon be receiving your son/daughter's Annual Report. This will provide you with a summary of their performance in each subject in addition to comments about their strengths and areas for improvement.

The Year 12 Parents' Consultation Evening has been arranged for Tuesday 21st May 2019. This gives students and parents the opportunity to consult with subject teachers and Personal Tutors. In addition we will be running UCAS Launch and PiXL Information Seminars throughout the evening. It is important that parents and students attend both of these seminars to ensure a smooth start to their Post-18 pathways. Please do remember that UCAS is beneficial for both those seeking University after Sixth Form and Degree Apprenticeships. Please choose one of the seminar times on the attached slip and return to your son/daughter's form tutor to ensure enough resources are prepared. Your son/daughter should make appointments with their teachers around these chosen seminar times.

Your son/daughter should make an appointment with each of their subject teachers as well as their personal tutor, if required. As we have recently introduced compulsory supervised study for all students it will now be a requirement that parents meet with Mrs Moore, our supervised study tutor, to discuss your son/daughter's approach to independent study in school. You will find an attitude to learning grade and comment on your son/daughter's report for this subject completed by Mrs Moore. I shall also be present if you would like to discuss any issues with me.

Finally, you will be provided with an outline of key changes from September during the evening, these have already been outlined to students in an assembly.

Please indicate whether or not you will be able to attend and which seminar times you would like to attend by returning the reply slip below by Friday 17th May 2019 to your son/daughters form tutor.

Yours sincerely

Miss Loveridge
Head of Sixth Form
