

8th November 2018

Dear Parent/Carer

**Year 7 Parents' Consultation Evening
Tuesday 20th November 4.30pm- 7.00pm**

On Tuesday 20th November 2018, Year 7 subject teachers will be available in school between 4.30pm and 7.00pm. This will give you an opportunity to discuss with them your child's progress. Your child is welcome to attend with you, if you so wish.

The students will be asked to make appointments for you with those teachers with whom you wish to consult. A maximum of five minutes can be allocated for each interview. If there is an issue which requires more time, an appointment for a later date will be offered. Please note that some teachers teach more than one class so may have a full timetable on the evening.

This is a subject specific evening for parents to meet with their child's subject teachers. Should you wish to discuss matters of a general nature, please contact your child's personal tutor or Head of House after the evening.

Please sign your child's journal to indicate whether or not you are able to attend.

Finally, our Peru bound students (working with Camps International) will be present to offer refreshments (for a donation) in order to support their fundraising efforts and to share their experience of this unique opportunity.

Yours sincerely

Adam Mitchell
Deputy Headteacher
